its Pure Indulgence

The Spa Party Experience

Hosting your party

its about Hosting the Perfect Indulgence Party

Just imagine your own indulgence Party...
You will be the talk of the town for hosting such a creative party

Hosting a Pure Indulgence party is easy. Just decide which treatments you would like you and your guests to receive. You will receive a treatments schedule with all the guests treatments preorganised.

Ensure that...

- 1) you have enough space for massage tables and for socialising. Massage tables can be over 6 foot long and are required for Reflexology, Swedish Massage, Reiki.
- 2) The room should be nice and warm but not hot.
- 3) Your guests wear loose, easily removable clothing or perhaps bring a dressing gown
- 4) Don't worry too much about preparing elaborate food and other activities, we would like the hostess to be completely relaxed to enjoy her treatments. Please have plenty of fresh cool water.
- 5) Just let the therapists take care of everything else so you can relax and have a good time...

Please note that the complementary therapies will not be able to be carried out if your guests have been drinking alcohol, our therapists have the right to refuse treatment for anyone who they feel has been drinking.

We suggest that you have plenty of healthy nibbles i.e. crudities and soft drinks such as water, smoothies and virgin cocktails, available.

Make the no alcohol and healthy nibbles part of your party and tell your guests it will be like coming to a Health Spa.

What happens

What happens at a Indulgence Party?

Once your guests have selected their treatments we take care of organising the therapists and we even produce a treatments schedule for the evening just to make sure everything runs smoothly. The therapists arrive with all their own equipment so you really have nothing to worry about.

Just relax, loosen up and enjoy your Indulgence Party Your party is about pure indulgence. How often do you really get the chance to forget about your worries and lavish yourself in sheer pleasure?

How many guests?

Between 5 and 10 guests is ideal for a girls night in, however larger parties of up to 25 people can be catered for if you have the room. Enough therapists would be provided to ensure everyone's enjoyment. e.g. 2 therapists for up to 8 guests, 3 for up to 12 guests...

We have a minimum booking of five guests.

How does it work?

Each guest receives treatments which can be taken all at once or split into two sessions. This will give the rest of the guests the chance to socialise. All treatments will follow a pre-arranged schedule so everyone will know when they are being treated. All of the organisation is taken care of so that you can relax and enjoy your party.
